

RYA Powerboat Training

National Powerboat (PB2) & Safety Boat

- Courses will be run throughout the year, subject to demand
- PB2 is a requisite for Safety Boat course, all courses require 2 days of training and are of course free to members
- One day PB2 assessments are available for the more experienced drivers
- Please make use of these opportunities, Power Boat handling skills are a vital asset for the club

Course descriptions are available on the club website and in the PB handbook
